RULES, REGULATIONS AND INFORMATION:

1. Kids, aged 3 to 10 years old, pedal specially geared tractors, pneumatic (air filled) tires on drive wheels.
2. Tractors are hitched to a special weight transfer sled - just like the big farm tractor pulls. The sled has a weight box and weights are added for each age class.
3. Each participant must be registered by parent or guardian.
4. Each participant, ages 3 through 10, will compete within his/her age group.
5. All participants must keep their hands on the steering wheel and their feet on the pedals. Use of the hands or the feet to advance the pull will disqualify the participant.
6. Only one parent/coach may be with the participant during the pull to give support. All others must stay out of the pulling area.
7. The winner will be participant who pedal-pulls the weight sled the longest distance within his/her age class. All participants are winners.
8. Parents/guardians must register their child(ren). Registration will begin at the Pull site at 6:00 PM, Thursday, August 3, 2017, with the pulling event beginning promptly at 7:00 PM.
9. Inform record keepers if child has a Fair exhibitor number.
10. All participants and parents/coaches should be seated near Pull area.
