GENERAL RULES (Applies to all classes)

1. A tractor may pull only once in each class.
2. All Youth must wear a helmet and have adult supervision.
 - Youth cannot pull Non-Pace, Altered, or Pro Stock.
3. Top 5 tractors will weigh after pulling, overweight is a disqualification.
4. First Puller in each class is the test puller and has the option to drop to last position if the first hook is not taken.
5. Stock Tractors are 4000 RPM and 11” hitch.
6. Altered Single (14 HP & under) 23x10.50 cut tires and 10” hitch.
7. Altered Single (16 HP) 23x10.50 cut tires and 10” hitch.
8. Altered Twin, 26x12 cut tires and 13” hitch
9. Pro Stock, Pro Tires and 13” hitch
10. Weights and Brackets:
 - No more than 2” beyond sidewall of rear tires
 - No weights may exceed rear of rear tires
 - No more than 6” from center of rear axle to front on Stock Tractors
11. Any tractor or puller found to be unsafe or illegal may be disqualified or barred from hooking (on or off the track).
12. No use of alcoholic beverages will be permitted!
13. Driver must maintain control at all times. Any unsafe practice (i.e. leaning over the hood or jumping on the seat) will result in disqualification.
14. Contact point of the tractor must remain in-bounds at all times. Contact with the white line is out-of-bounds.
15. Factory safety shrouds **MUST** be in place or homemade shrouds of same or better quality especially around drive clutch or drive belt and mower clutch.
16. The flag man's decision is final while on the track.

17. All pulls to be started from a tight hitch, no jerking.
18. Two attempts will be given within a 30' safety zone.
19. All rules will be interpreted by the tech crew. Any unforeseen problems or oversights will be ruled on by the tech crew with their ruling being final.
20. Any and all protests must be made by drivers in the same class and will result in both the protested tractor and the protesters tractor being checked. The protest must be made before the tractor leaves the track.
21. Any part falling off of the tractor after being hooked and until the tractor is unhooked will result in disqualification. It is suggested that all weights be secured.
22. No youth allowed in the adult lawn stock class. Youth class is 4-12 years old.
Youth tractors fall in the lawn stock rules.
23. No weights to extend past rear tires.
24. ALL tractors must be equipped with wheelie bars.
